Baxi 800 Combi

Introduction

BAXI
Make it easy

Reliability

Every Baxi boiler has to achieve 100% to pass a full function test using gas, water and electricity, before it leaves the production line.

Efficiency

Baxi boilers now come with energy labels showing the efficiency rating of the boiler. All boilers are A rated to help you save money on your fuel bill.

Warranty

Every Baxi boiler comes with a parts and labour warranty for your peace of mind.*

Baxi make it easy

Baxi is easy to deal with, because the whole Baxi family, including Customer Support and Genuine Parts, is all under one roof.

No jargon - plain and simple

Baxi warranty terms and conditions have been approved by the Plain English Campaign, so they are easy to understand.

*Subject to completion of the Benchmark Commissioning checklist, registration of the boiler warranty and an annual service.

A BRIEF HISTORY OF BAXI

Baxi has been manufacturing in the UK for over 150 years. It has a heritage of providing cutting edge heating products for homes and is the best known boiler manufacturer amongst homeowners.†

†According to independent research.

Baxi 800 Combi

The British built Baxi 800 Combi has a 10 year parts and labour warranty* for complete peace of mind and comes with a compact Adey Micro2 magnetic system filter to protect your heating system. Compact and lightweight, it will fit neatly in a standard kitchen cupboard. It can be installed with smart controls so you can operate it using a smart phone or tablet, and the clever Easy-Fill filling loop means you can top up the system pressure quickly and easily, without having to call your heating engineer.

Key features

| Includes an Adey Micro2 magnetic system filter | Helps to protect your heating system |

*Subject to registration and an annual service. Terms and conditions apply. Visit baxi.co.uk/warranty

Use and performance

A Boiler width = 390mm
 B Boiler height = 700mm
 C Boiler depth = 285mm
 D Side clearance = 5mm*

E Upper clearance = 178mm*
 F Lower clearance = 200mm*
 G Front clearance = 5mm* in operation,
 450mm* for servicing purposes

*These are the minimum recommended clearance dimensions.
 Greater clearance will aid installation and maintenance.

Controls

Setting your boiler couldn't be simpler.

Setting the central heating water temperature

Turn the central heating temperature setting button to adjust the heating water temperature.

Setting the domestic water temperature

Turn the domestic hot water temperature setting button to adjust the temperature.

Easy-Fill

Re-pressurising your boiler is easy.

Pull green lever under right side of boiler.
 Release when indicator on pressure gauge reaches green.

Performance

| | 25kW | 30kW | 36kW |
|-------------------------------------------------------|------|------|------|
| Central heating output | 20 | 20 | 25 |
| Maximum domestic hot water flow rate (litre per min)† | 10.2 | 12.2 | 15 |
| Efficiency rating | A | A | A |

†At 35°C rise

Added value services

Find a Baxi approved installer

Looking for your local Baxi installer? Just enter your postcode on our website and we will provide a list of Gas Safe registered installers near you, who are all fully trained to work on Baxi boilers.

www.baxi.co.uk/findaninstaller

Lifetime support for your boiler

We keep parts available for up to 10 years after we stop making a boiler, so your installer can continue to maintain your boiler for the whole of its life.

Expert support, whenever you need it

Baxi's award-winning UK-based customer support team is only a phone call away. And we have a nationwide network of our own Gas Safe registered engineers that can help you wherever you are.

Call Baxi Customer Support on 0344 871 1525

If you have mislaid your boiler's instructions, you can download them from the Baxi website on your computer, tablet or smartphone, 24/7. You'll also find lots of other useful information, including helpful 'How to' video guides.
